

#FosterSiblings

## To all our amazing Foster Siblings

We are creating a page on our website dedicated to you!

We would love your feedback:

We would like to know what you would like to see on this page - please send ideas to [abbieharrold@phoenixfostering.co.uk](mailto:abbieharrold@phoenixfostering.co.uk)

What advice you would give to other birth children of foster carers & future foster carers & how has your experience been?

Let us know if you are happy for us to share your experiences on our website anonymously, if you would prefer us not to, then we won't, but we would still love to hear what you think to help us in supporting you and other foster siblings.

We also wanted to say a massive thank you for all the work you do in supporting your family.
